Project Communication

Daily Scrum - Conferences

Project Requirements - Slack to BA channel

DevOps - Slack to DevOps channel

Testing teams - Slack to testing channel

Project updates/general - Slack to general channel

Project Documentation

Project Team

SM - Kevin

SM - Aizat

SM - Mawluda

SM - Vasyl

PO - Murodil

Lead Developer - Misha

DevOps - Aibek

BA - Maria

Account Administration - Maruf

Developer - Inty

Developer - Nurdin

Project Coordinator - Parahat

Test repository

All three teams use the same framework

Tech Leads coordinate issues with the common code

Do not push unless everything is working

Your code will affect all three teams

COMMUNICATE. A LOT.
